Project: Li

**FRANCESCO
PEDRINI**
Artist, Italy

Francesco Pedrini is an artist holding the position of Deputy Director of the Bergamo Polytechnic School of Arts, with responsibility for the Bergamo Academy of Fine Arts G. Carrara, where he is also a drawing and painting professor. His research focuses on themes such as astronomy, vision, wind, and practices for crossing the landscape.

**LEONARDO
CAFFO**
Philosopher, Italy

Leonardo Caffo is professor of Aesthetics of Fashion, Media and Design and Semiotics of Art at NABA and Aesthetics at IULM in Milan. He is a prolific writer, is director of the magazine "Parola" and has curated an extended number of exhibitions.

Project: I Am Between Forces and I Am Gravity

**ELÉNA
NEMKOVA**
Artist, Italy

Eléna Nemkova is an artist based in Milan. Her work is a continuous observation of the evolution of science which translates into an attempt to bring it into the sphere of intimacy, humanity and the primordial. Her drawings, sculptures and performances measure the differences and possible convergences between seemingly unassimilable dimensions.

**PETRA
GRUBER**
Architect, Austria

Dr. Petra Gruber is an architect with a passion for biology and biomimetic design. She holds a PhD in Biomimetics in Architecture from the Vienna University of Technology in Austria and worked internationally in inter- and transdisciplinary design and education, at the intersection of biology, architecture and art.

GABI SCARDI, MODERA
NAHR President, Italy
EMPACT PROJECT MANAGER
